Rylund Hunter is corporate commercial and real estate lawyer. He works with a broad range of businesses and professionals to assist them with their business law issues including purchase and sale transactions, financings, real estate development, corporate reorganizations, succession planning and environmental issues.

Overview

Rylund focuses on understanding his clients business needs to delivery practical and efficient legal solutions and advise. His practice includes a wide range of corporate law, real estate and development matters. He also maintains a focus on dealing with environmental law issues. Rylund represents a wide variety of businesses and business owners and enjoys helping clients navigate legal issues as they arise throughout the business lifecycle, from start-up to maturity.

Outside the office, Rylund is an active member of the Saskatoon business community and sits on a number of not-for profit boards. He enjoys the opportunity to give back and serve his community wherever possible.
